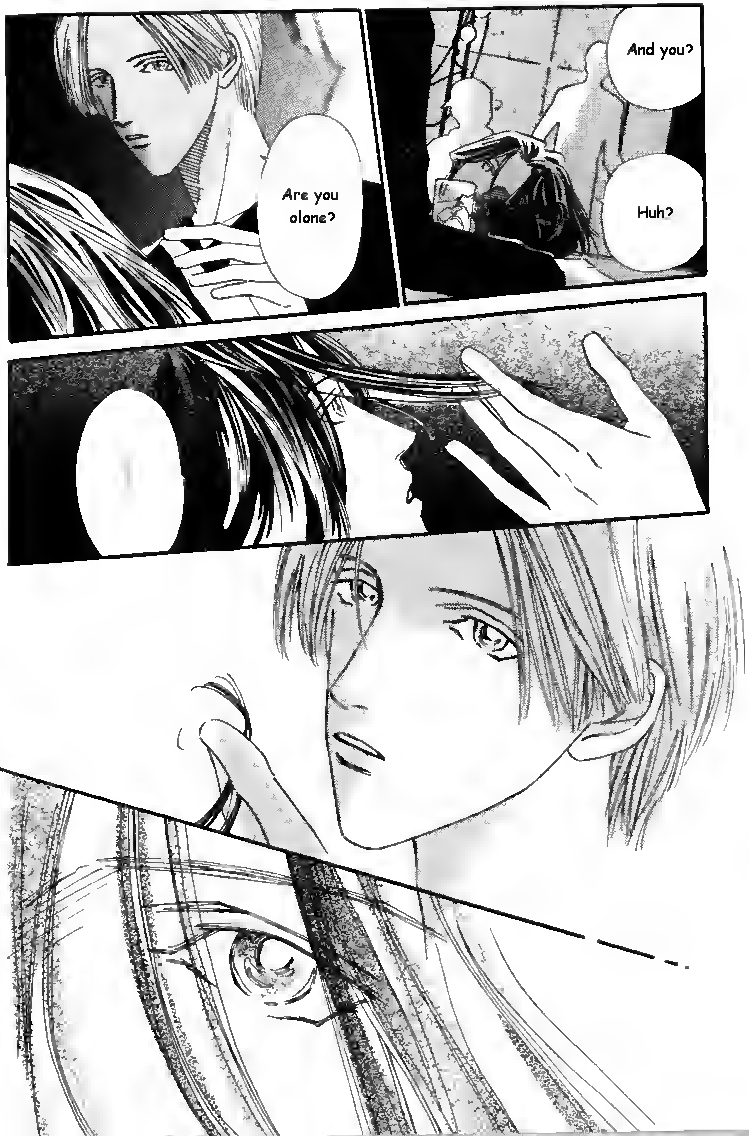
Under the red light
With a colourless face this guy was
...emptying his single glass quietly

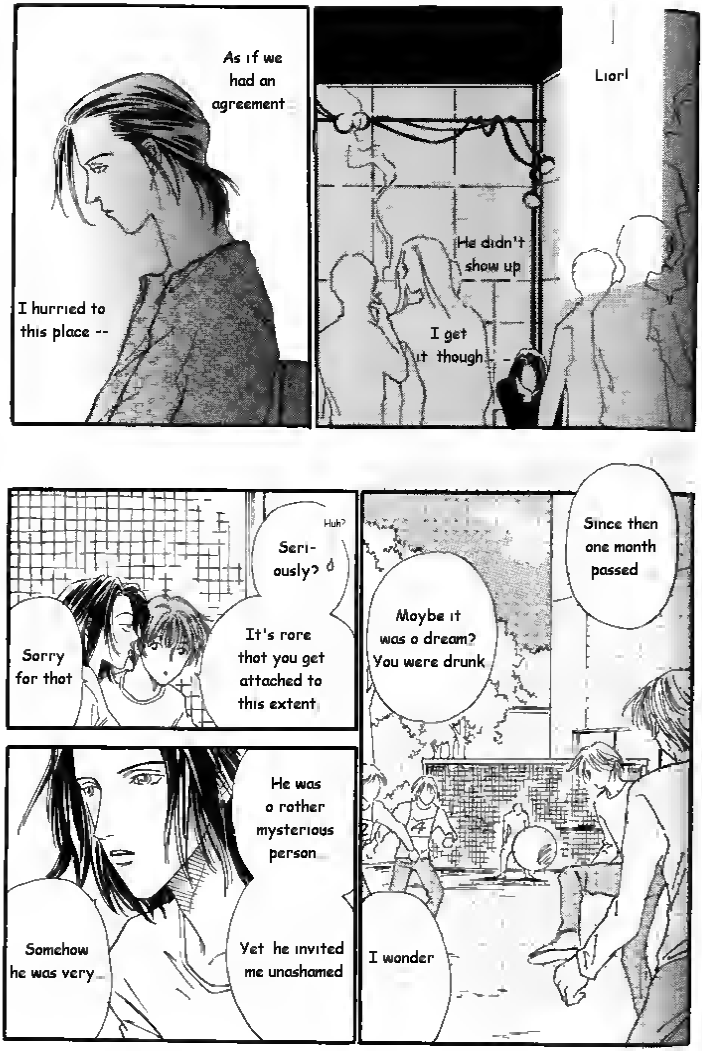
That guy is into sadism
Really
Sorry
Am I late?
What ?
A guy like you looking for a partner in a place like this?
Your date?
Not really
Strange?
Somehow...
Since it's Friday it will get crowded, but there won't be a guy fitting your mood.



Are you alone?
And you?
Huh?

I want to enter you from here
Want to see your face
Hey Turn this way
Yes
Ha... Ah!

Next time when we meet in that place
When?
Say, what's your name?
Tell me!
You will came an Friday? Next week?
ガチャ
Yeah
Wait, I say!
バタン



As if we had an agreement
I hurried to this place --
Liar!
He didn't show up
I get it though
Huh?
Seri-ously?
Sorry for that
It's rore thot you get attached to this extent
Since then one month passed
Maybe it was a dream? You were drunk
He was a rather mysterious person
Somehow he was very
Yet he invited me unashamed
I wonder

Honest Person
I'm glad
Somehow precious
As I said He showed very inexperienced reactions...
Very...?
While I was holding him
I didn't let loose
Hey we're still in PE. Once in a while do it seriously, Kazui
Why do you call our names?
Its just that there are much more important things in the world than PE...
KEEPER!?
Ka zuiii
Gaaip

Not good
I'm in heaven
What is he
doing in my heaven?
Hey get a grip Kazui-!
You're alright? No nausea?
Then rest a little
grab

What are you doing?
What is it?
You don't usually come to this place do you?
One Month
Whozzat?
Well - he's Satou the new teacher. He 's been here for one month
So
And he's been at school every day
While I was worrying endlessly

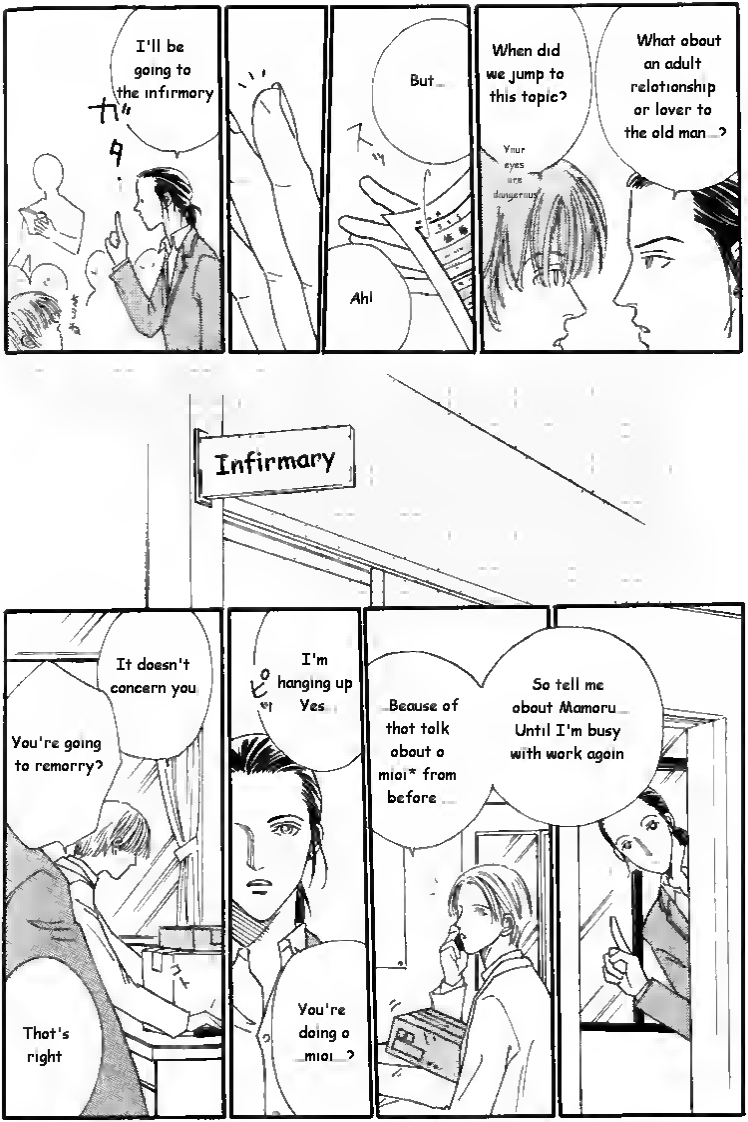
clatter
clatter
Satou...
That's your name?
You said you would tell me the next we'd meet...
I didn't take you for a high-school student
Why didn't you come?
Is it alright for a high-school student visiting that place?
Who was the one inviting this high-school student into his bed?
I...
On that Friday I waited until morning
And went back every week
You used that sadism guy as a pretext to talk to me
Please stop saying that the responsibility is mine only
Sorry, but I was drunk on that day so I didn't remember
Liar
You only had one Drink
I watched you ever since you came.

That we met here you soon will have forgotten
Both of us just wanted someone right?
You forget the main point
I didn't come because I didn't want to meet you.
Let me go

So you were called Kuzui-kun
You may know my name but call me Sotou-sensei
We both want to stay in this school right?

Just when I was finally able ta meet him
Am I giving up like this ?
Shit
What's with this Satau-sensei crap?
Have we ever met before?
I've seen yaur face samewhere
Huh?
Sa sarry
F...
Fa...
Fath
Faaaaa
Ah! Father!

What's that?
It's a printout of his resumee Where from?
Accessed the personal files from the computer of a staff member first thing this morning
Satou Katsuaki 27 years old Older than he looks
Furthermore he has to raise this child alone He won't change his current lifestlye I think
He hid his homosexuality while being married and had a child
Oldest Son Mamoru 8 years. Born when he was 19
His wife seems to be dead
He wouldn't consider brats like us as real partners
Ho his house is this close! I see no hope for you with this one
Why



I'll be going to the infirmary
But...
Ah!
When did we jump to this topic?
Your eyes are dangerous
What about an adult relationship or lover to the old man...?
Infirmary
It doesn't concern you
You're going to remarry?
That's right
I'm hanging up Yes...
You're doing a miai...?
...Beause of that talk about a miai* from before...
So tell me about Mamoru... Until I'm busy with work again

*miai - Formal meeting with someone for the sole pupose of marriage

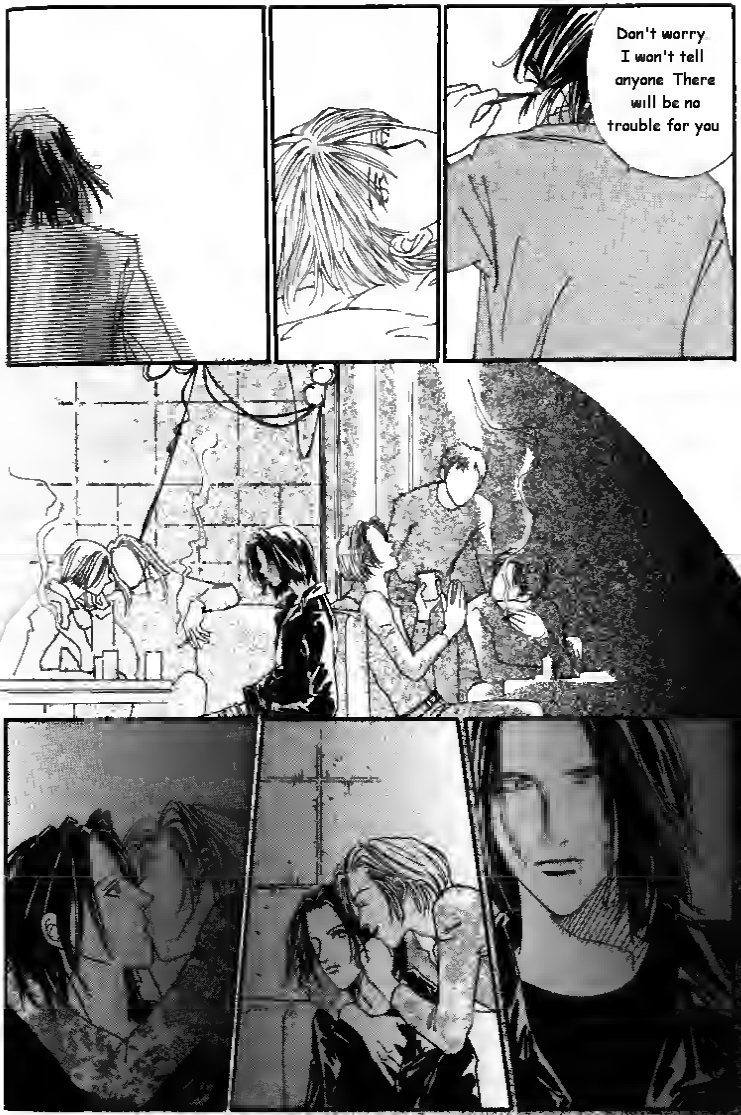
?
I don't have one
Huh?
Do you have a lover?
Since you're a settled man
Because my son needs a mother says my obliging aunt
ビ
Then you'll steal away from under the eyes of your wife every now and then to flirt around in that joint?
I said it doesn't concern y
It does!
You're planning to play around even though there's a guy like me who's really fallen in love with you

If you've got no other business leave please Classes are still going on
A human that lives without hurting anyone doesn't exist
That can be healed just by licking it
Hu
Then lick it senser!

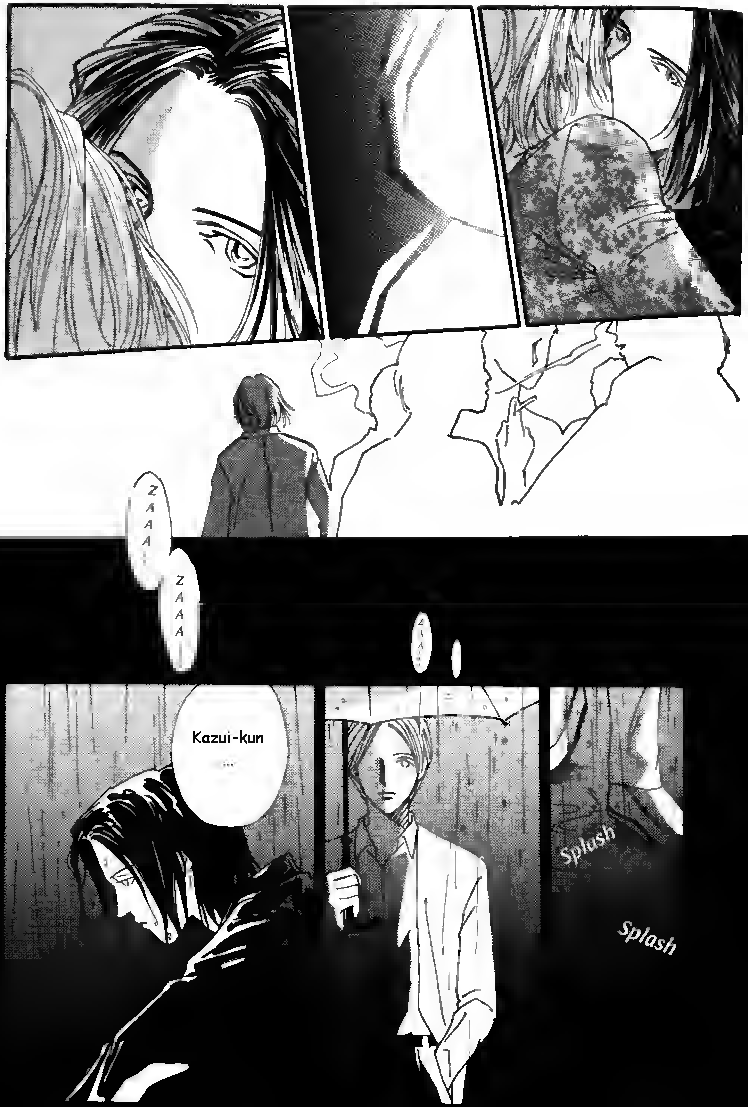
Let me do you
If playing around is fine with you let's do it
H...n
Stop
If you call out people will come! You want to stay in this school, right?
...hn
Feel it? You seem to let out your sexy voice, because I will give you everything

/10
If you're not quiet you'll be exposed to the whole school
Stop it! Let me
Ah ouch
And your child will know about this too

I'm sorry
But I like you



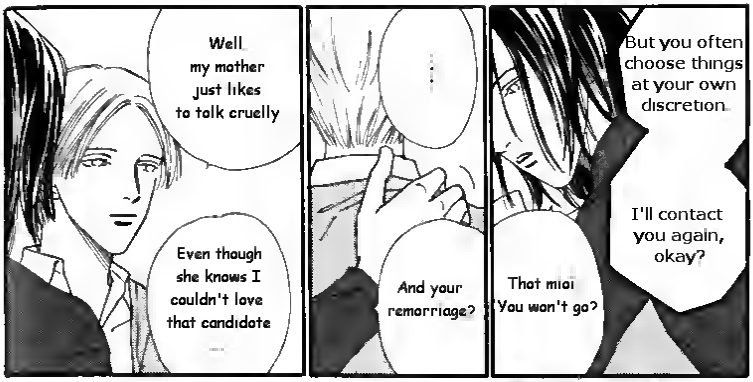
Don't worry I won't tell anyone There will be no trouble for you



ZAAA...
ZAAA...
ZAAA...
Kazui-kun
...
Splash
Splash

You've been drinking
A little
You'll catch a cold
It's okay... If I do I'll go to the infirmary proudly
he he
Come... Because of my profession can't leave you here
Your parents?
Yes. He's a real grandmother-child Ever since my wife died four years ago she took care of him
looks around
Mamoru is at my parent's house I've been on my way back here after seeing him off

That's why you are remorrying?
Both my parents are slowly growing old and raising a child becomes a burden for them
You're cold
Sorry
I was firmly decided to give up but I couldn't
I thought what if I could become his lover Haha!
I suck at being firm
Riiing
Riiiing
Riiiing
The phone
The answering machine will get it
Hello It's me
I know you're obstinate, but at least try a miai once !

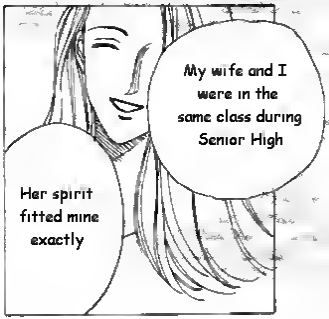


Well my mother just likes to talk cruelly
Even though she knows I couldn't love that candidate
...
And your remarriage?
But you often choose things at your own discretion
That miai You won't go?
I'll contact you again, okay?

It seemed like a totally natural development

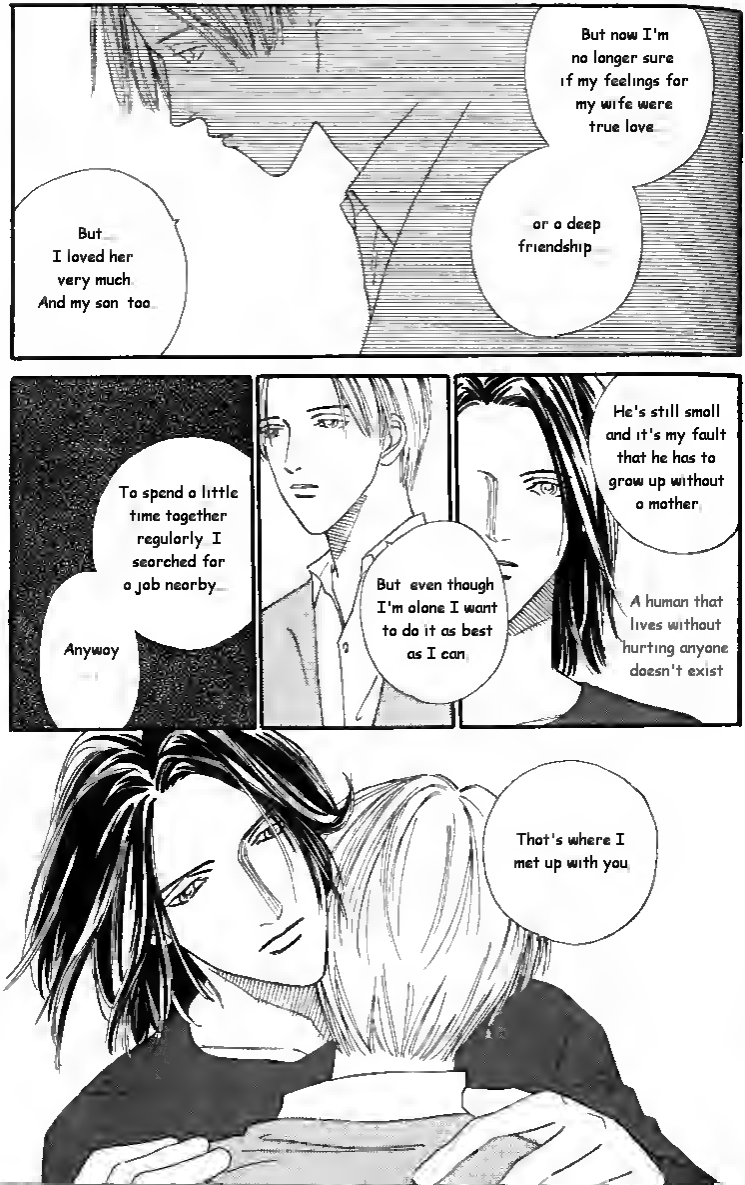
When she got pregnant we married

Every doubt I ever had simply vanished

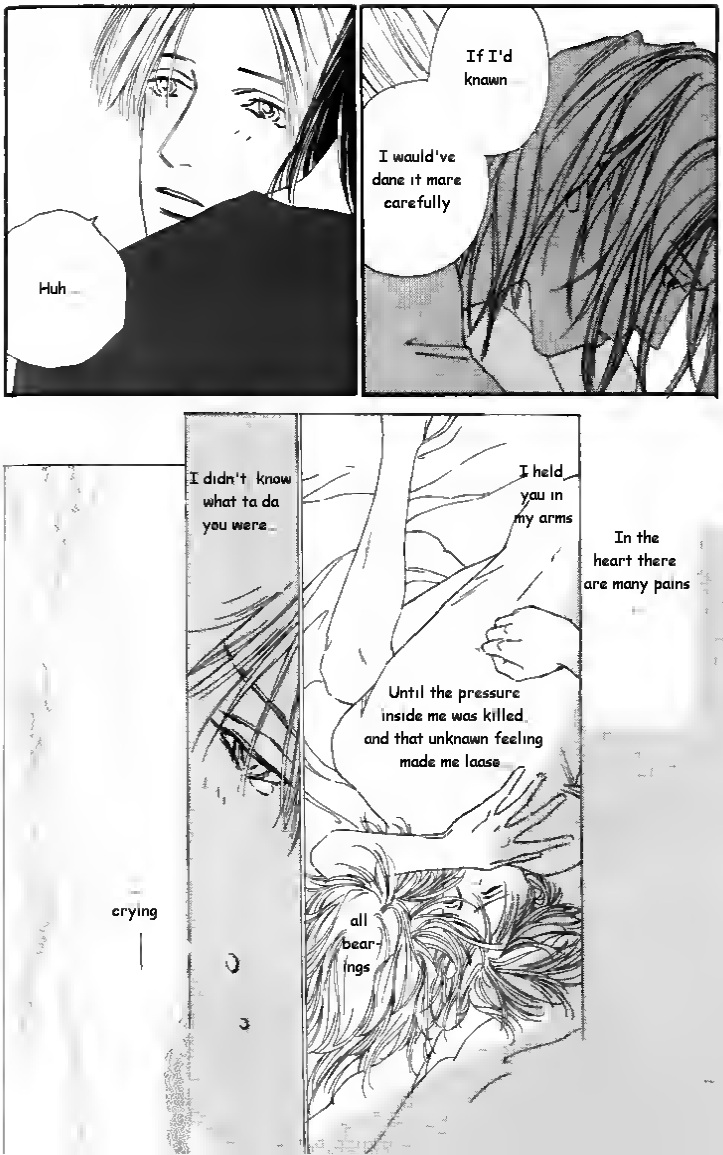


That's why
I went
Last month when talk of the miai began and she told me that it was all for the child
He was in there on that evening.
To find out
Was that the playground?
...about himself.

Under the red light
Staring at me with eyes full of lust
Just to be himself for once
For the first time
The only night
I had to hasten to reach my goal...



But now I'm no longer sure if my feelings for my wife were true love
or a deep friendship
But I loved her very much And my son too
He's still small and it's my fault that he has to grow up without a mother
A human that lives without hurting anyone doesn't exist
But even though I'm alone I want to do it as best as I can
To spend a little time together regularly I searched for a job nearby
Anyway
That's where I met up with you



Huh...
If I'd known...
I would've done it more carefully
I didn't know what to do you were...
I held you in my arms
In the heart there are many pains
Until the pressure inside me was killed and that unknown feeling made me loose
crying
all bearings

After hearing all of this I can't let you go again
Kozui-kun Hurts...
No way I won't let go!
.....

After connecting our bodies
we'll connect our hearts
We'll
be together without a doubt
I'm glad that the one I met on that evening
was you
